Changes Method of Electing Vestries-Mr. Fortescue Whittle Elected Treasurer of Diocese.

(Special to The Times-Dispatch.) PETERBURG, VA., June 2.—Upon mo-tion of Colonel R. E. Withers, who excordial invitation, the next session of the Episcopal Council of the Southern Diocese of Virginia will be held John's Church, in Wytheville,

Rev. W. S. Campbell, the Presbyterian hinister, secretary of the Virginia Bible ciety of Richmond, addressed the Councelety. A resolution of thanks was oted to Mr. Campbell for his address tributions for the support of the soc Mr. W. W. Old submitted the re of the Finance Committee, showing

In reference to the resolution of Mr. W. A. R. Goodwyn, calling for an appropriation for the purpose of having certain records of Colonial churches in the diocese copied, the committee advised against it on account of the indefiniteness as to the amount of money required. Mr. Goodwyn spoke earnestly in favor of an appropriation for the copy of these valuable old historic records of the Colonial churches in Virginia, many of which are scattered about in private hands and likely to be lost. It is a matter of great importance, he said, that these records should be collected and preserved in permanent form. The subject was discussed at length, pro and con, by Rev. W. A. R. Goodwyn, Judge E. W. Saunders, Colonial R. E. Withers, Rev. J. E. Dunn, W. W. Old, Rev. W. T. Roberts, Judge L. R. Watts, Rev. A. C. Thompson. The report of the committee was adopted with that portion advising against an appropriation for the purpose of copying the old church records amended so as to refer the matter back to the Council, without recommendation for its action.

action. W. A. R. Goodwyn then offered

a resolution appropriating a sum not ex-ceeding \$100 for the copying of these

Major T. C. Elder advised careful consideration of this subject before entering on the work of copying these records.

Rev. W. T. Roberts opposed the resolution. The presentation of these records should be the work of antiquarians and the church needed all the money it has for other purposes.

Rev. C. B. Bryan advocated the resolution as a means of beginning the collection of these valuable records.

Blahop Handolph cordially sympathized with the spirit of Mr. Goodwyn's resolution and hoped it would pass.

It was passed by almost a unanimous rote.

#### AMEND CANON.

An amendment to canon XIV. relative the election of vestries, was offered by each e. C. Thompson, of the Committee in Constitution and Canons, and adopted. on Constitution and Canons, and adopted, providing that the vestry shall appoint three persons, of whom not more than two shall be members of their own boly, to conduct and superintend such elections. The members of the vestry present at the hour for which the meeting is called shall fill any vacancies in case any of those so appointed are absent. In case no such judges are appointed, the members of the vestry present shall act as no such judges are appointed, the members of the vestry present shall act as judges of the election. In case none of the vestry are present or those who are present fail to act, the electors may choose three of their number to act as such judges. The judges of the election shall decide as to the qualifications of the voters and those elected as vestry-

The report of the committee on endowment fund was presented by W. W. Old, its chairmat. This committee hopes that this fund will eventually be increased to \$100,000 and reported a resolution, which was unanimously adopted, that the efforts to increase the fund to \$100,000 be continued. The present amount of this fund is, \$31,000.

tinued. The present amount of this fund is \$35,000.
On nomination by the Finance Com-mittee, Mr. Bortescue Whittle, of Peters-burg, was unanimously elected treasurer of the diocese. CORORED BISHOP NOT WANTED.

A very interesting report was read at A very interesting report was read at the aiternoon session from Archdeacon Russell, of the colored convocation of the diocese, showing remarkable and encouraging results. It was stated that the colored convocation was strongly opposed to the election at present of a colored bishop to have jurisdication over the colored people, believing that this would result in serious injury to the work among the colored people in the South. An interesting report was made of the splendid work being done at St. Paul's Industrial School, at Lawrence-ville, and at the Bishop Payne Divinity School at Petersburg. These schools have the cordial endorsement of the council of the diocese and are in need of and deserve the support of the church. Rev. C. E. Grammer presented the report of the Committee on the State of the Church, showing that the church in the diocese is in a most encouraging condition.

condition.

Upon motion of the Committee on Sunday Schools a diocesan commission on Sunday schools was created and \$50 appropriated for their use in prosecution their work. Rev. James Owens, of St. Paul's, Lynchburg, was appointed chairmans.

An interesting discussion was engaged in regarding the work of the Diocesan Missionary Society, and it was shown that the great need was for larger contributions to the society in order that the church may be enabled to do more missionary work in the diocese.

NEW ORLEANS, LA., June 2.—Immediately following the opening of the cotton market to-day a great mass of selling orders particularly was thrown on the ring, and the month broke-squarely twenty-seven points. Erown then became a heavy buyer. He bought thousands of bales of July from 11.55 to 11.69, and at 11.60 bid for 25.600. Several thousand bales were thrown at him. He continued to bid the market up until it reached 11.70. The reaction continued until it touched 11.78, and that position remained steady. There was no apparent excuse for the decline, which was brought about solely by short selling.
